We rely on the generous time and energy our volunteers add to the H.E.R.O.S. program.

H.E.R.O.S. is an acronym for Hockey Education Reaching Out Society. We use hockey as a catalyst to attract at-risk youth to a program that offers support for education, self-esteem building and life skills training in a safe, fun environment. Our participating schools and Community Coordinators select the boys and girls ranging in age 7 – 13 from diverse ethnicity and economically challenged neighbourhoods that might not have the opportunity to play the game of hockey.

Operating in Vancouver, Toronto, Calgary and Edmonton H.E.R.O.S. is a federally registered non-profit society (# 877195610 RR0001).

Our dedicated volunteers allow us to continue to make a difference in the lives of the children and have a positive impact on the community.
